Jim's Organic Coffee Minimum Advertised Price (MAP) Policy Effective January 1, 2021 (Updated Pricing Effective December 28, 2021)

To ensure all of our partners can effectively sell our products, and avoid channel conflict, we require partners to advertise our products within our Minimum Advertised Price (MAP) policy. Enforcement of MAP ensures fair pricing for all of our partners and is an ongoing commitment from Jim's Organic Coffee.

Policy Statement: Jim's Organic Coffee, in its sole discretion, reserves the right to discontinue doing business with any partner that advertises any product(s) covered by this MAP Policy at a price lower than MAP.

Advertisements: This MAP Policy applies to all Advertisements (defined below) of Jim's Organic Coffee product(s) sold by a partner in any and all media, whether in print or online.

- All advertisements of MAP Product(s) must include the Jim's Organic Coffee name and a price at or above MAP.
- Advertisements are defined as any and all media including, but not limited to, inserts, newspapers, magazines, catalogs, flyers,
 posters, brochures, any other print media, television, radio, e-mail, internet websites or other e-commerce, links to a web based
 shopping cart and any other electronic media.
- At no time may a partner make any statements with our product(s) indicating or implying that a lower price may be found at the
 online or in-store checkout.
- MAP products may only be advertised as standalone products and may not include bundling of products.
- Direct mail, e-mail, or web sites that support other limited access programs such as "Auto Ship", "Subscribe and Save", "More Spend, More Savings", "Friends & Family" or "Customer Loyalty" are covered by this policy. The partner must ensure that the final price with any loyalty program stays within the parameters of this MAP policy.

This MAP policy does not apply to in-store displays and advertising, including but not limited to signage, price tags or prices written in a sample book, as long as such displays and advertising are not distributed to any customers.

Policy Enforcement: Any price advertisement(s) that does not comply with this MAP policy will be enforced in accordance with all applicable laws.

Penalties:

- **Initial Warning:** Jim's Organic Coffee will immediately contact the partner highlighting the specific Jim's Organic Coffee product(s) with MAP violations. The partner will have 48 hours to correct the violation(s).
- **Second Warning:** If a second violation occurs for the same Jim's Organic Coffee product(s) within 60 days, the partner will be banned from ordering or selling the specific product(s) in violation for 60 days. In order to start selling and ordering the specific product(s) again, all MAP information must be corrected.
- **Final Warning:** If the partner violates the MAP policy for a third time with the same Jim's Organic Coffee product(s), the partner will not have access to order and sell the specific product(s) for a period of 360 days. If the violation(s) is not corrected in 360 days, they will be restricted from selling any Jim's Organic Coffee products in the future.
- Each violation, with respect to our MAP policy, will remain on record for one (1) year following the partner's last violation.

Additional Policy Guidelines:

- Jim's Organic Coffee will monitor advertised prices directly, or via the use of third parties.
- Jim's Organic Coffee recognizes that partners are free to make their own decisions to advertise and sell any product at any price they choose, without consulting or advising Jim's Organic Coffee.
- From time to time Jim's Organic Coffee may permit partners to advertise pricing lower than MAP, which may include coupons, promotions, or other sales initiatives. In such events, Jim's Organic Coffee reserves the right to modify or suspend MAP with respect to the affected products for a specified period of time.
- Neither dealers, distributors, nor partners have the right to enforce this MAP Policy.

MAP Policy Administrator Guidelines:
